Dearest Vida,

I want you to know that I have enjoyed every minute of your friendship.

You're a wonderful girl, and a girl like you is hard to find.

Remember all of the good times that we have had together. The day that Earl worked so hard to teach us to cheer.

Even though you and I both didn't quite make it, we will both try harder next year.

Remember all of the wonderful laughs and plain ol' good times that we have had at the sock-hops, and all the games where sometimes we were crying, and other times were pimping up and down. I think we played as hard as the players themselves.

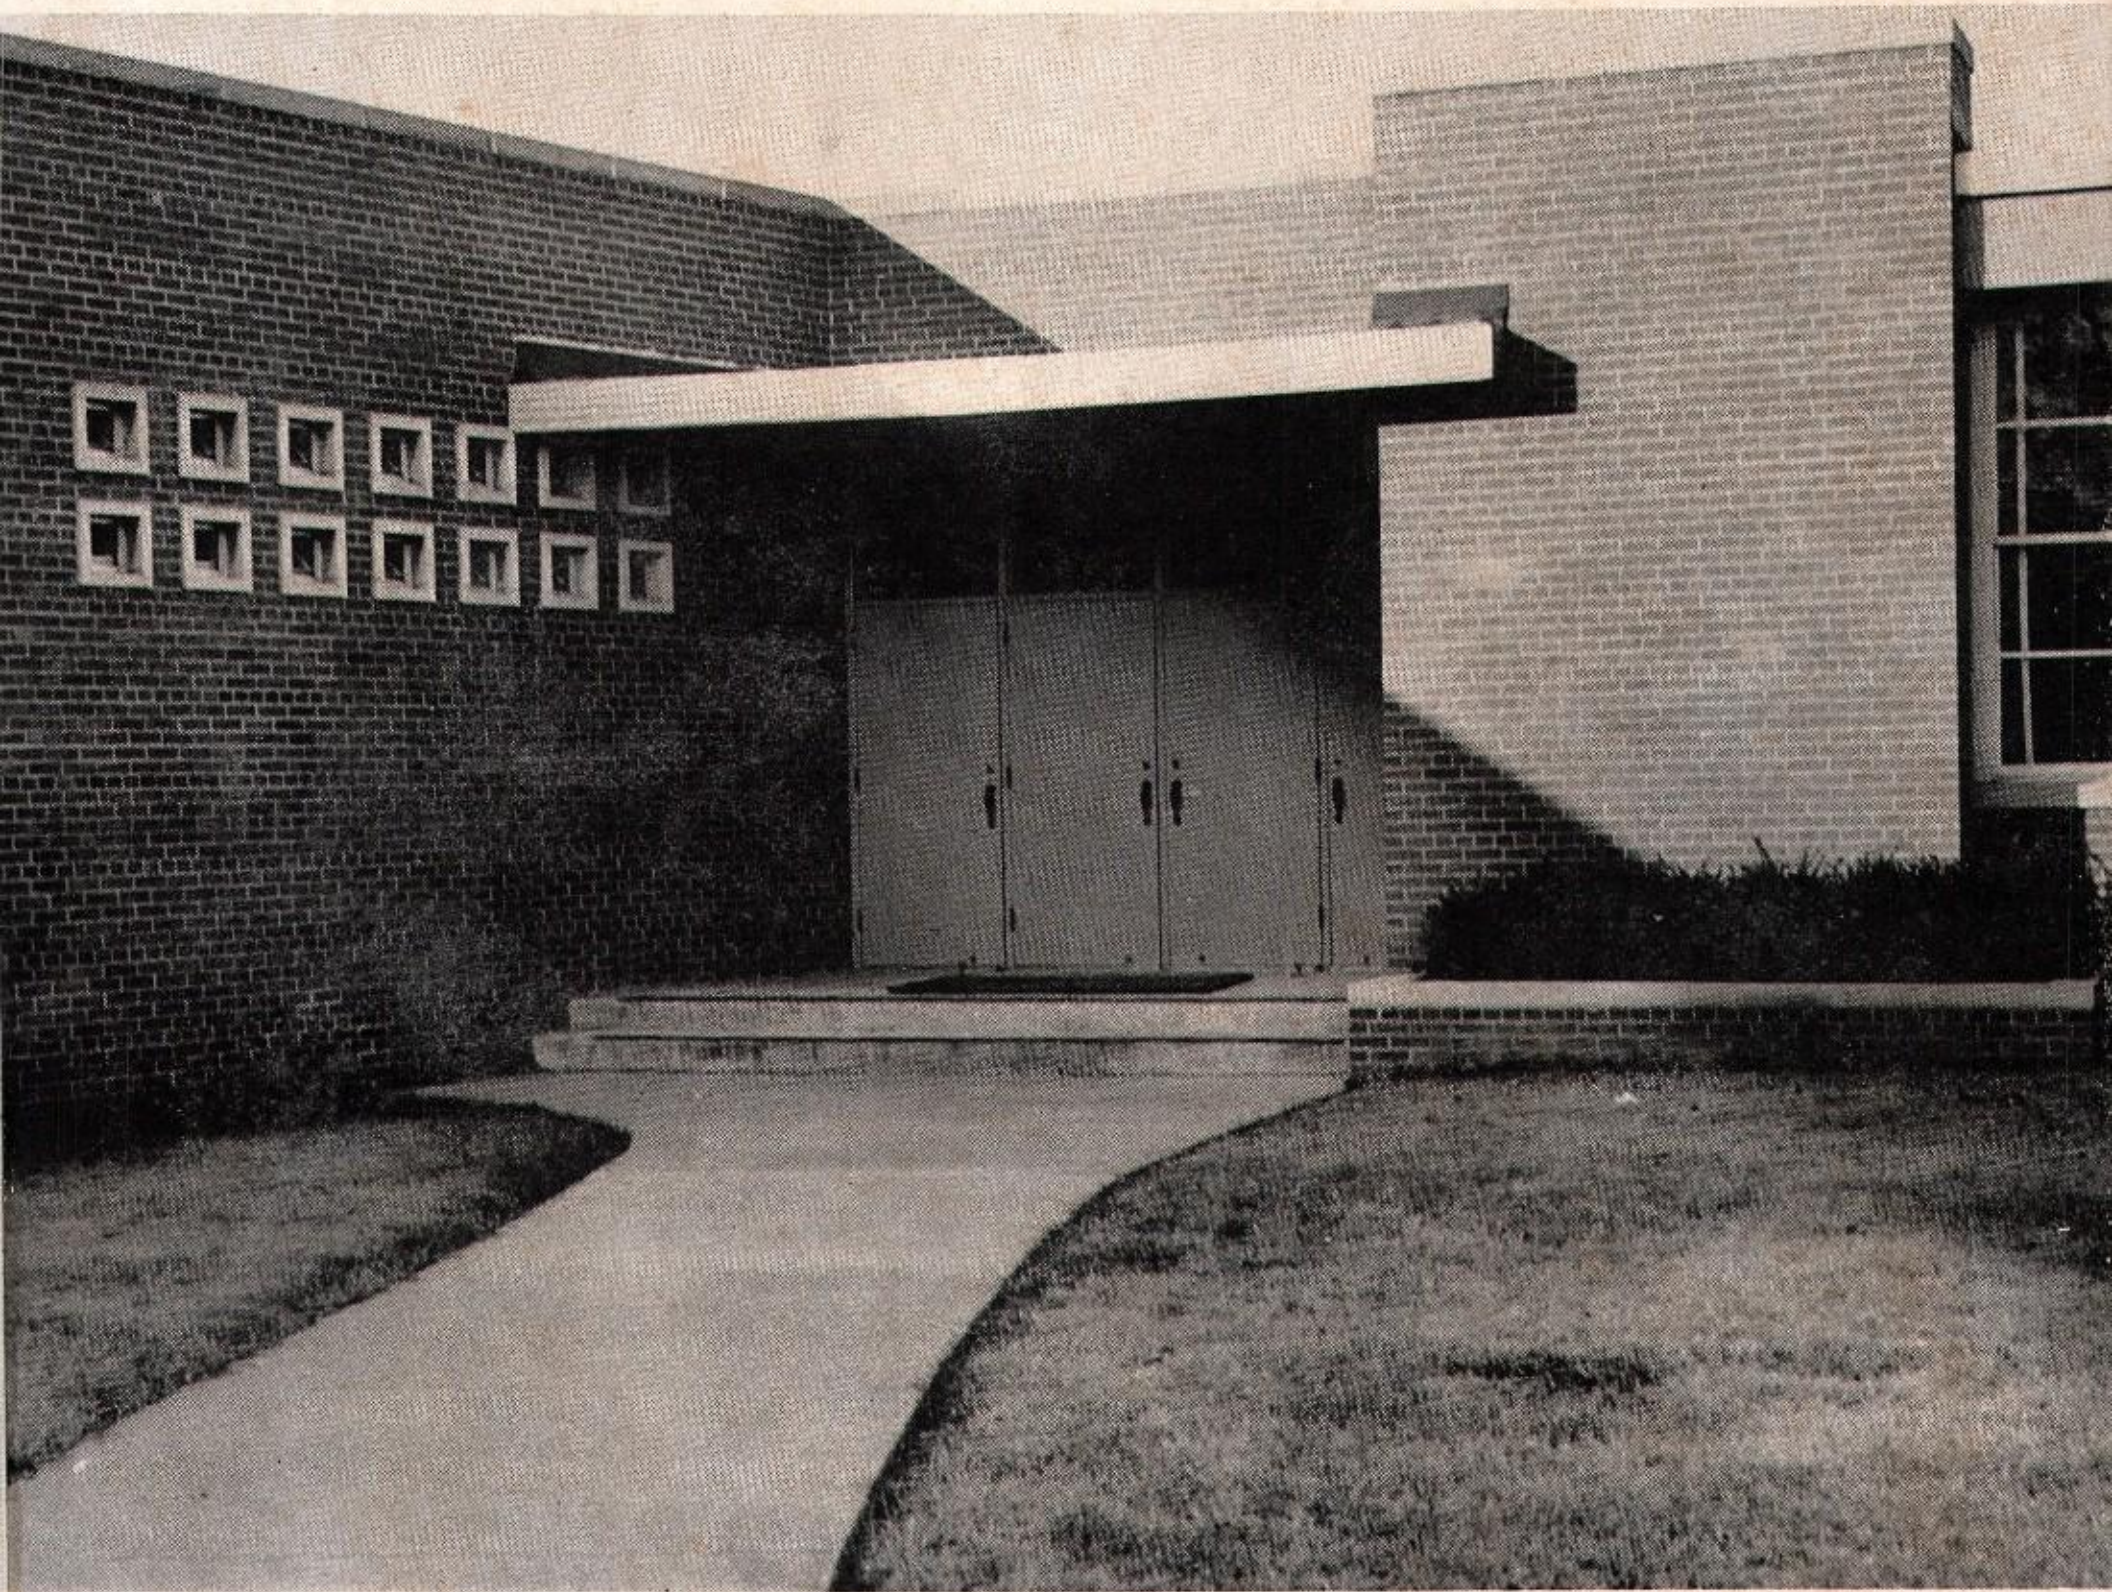

Well hon, I'm running out of space, but just let me say one more thing. It has been an honor and a privilege knowing you. May life bring only the best to you, and may Dad be with you always.

Love ya forever,  
Peg "See uue" Parker

Widen,  
I can truthfully say that  
it has been fun being in the same  
school with you this year. Loads  
of luck in the future in whatever  
you undertake and God bless you.

## F O R E W O R D

As we traveled down the "Path of Conquest" during the school year 1955-56, we had our good times . . . our fun . . . our work . . . and our studies . . . Encountering detours of hardships and obstacles, we kept ever before us our goal of success, and came, at last, to the path's end—wiser, happier, and proud of the things we'd done. Here, in this EAST WIND, we hope to bring to you some of our experiences while traveling down this—"Our Path of Conquest." . . .

## D E D I C A T I O N

Along every path in life there continuously seems to be one outstanding person who leaves you a lasting impression—so it is with MRS. PARKER. She has left an impression of warmth, helpfulness, and understanding on all the Senior Class this year. With her untiring interest and enthusiasm in us she has crept into that warm spot in our hearts reserved only for “special folks.” It is with genuine pleasure and pride that we, the Senior Class, dedicate this 1956 EAST WIND to her in hope that through this annual she will receive as much pleasure as she has given.

With these leaders our Rotarians of tomorrow attend a luncheon each Tuesday of their particular month at the Elk's Club.

## C H E E R L E A D E R S

Go, East, Go! These are the familiar words that were heard at all our ball games. Trudging through pep rallies, practices, mud, cold and rainy weather, this faithful group led our cheering section through victory and defeat.

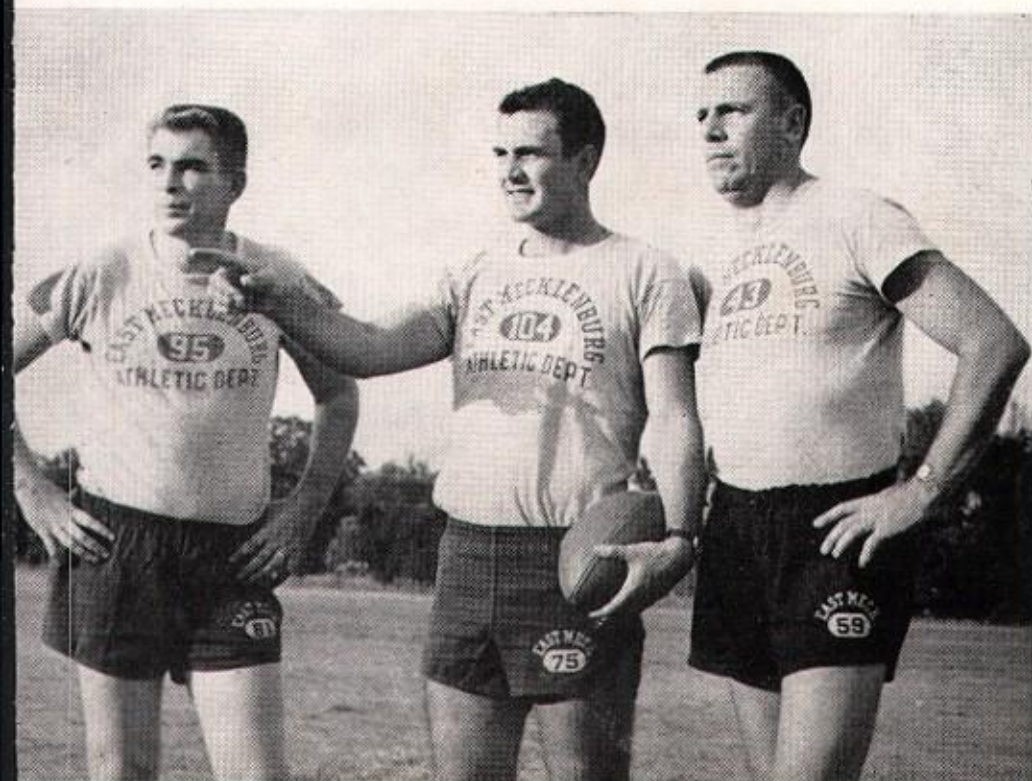

First row: Pinky Baugess, Norman Pike, Butch Kimsey, Captain Harry Johnson, Carlisle Davenport, Don Phillips, Jack Steele. Second row: Bill Dansby, Carl Jamison, Bill Untz, Jim Gross, Jimmy Earnhardt, Tommy Skinner, Wayne Kelley. Third row: Assistant Coach Bill McGinn, Trady Johnston, Wayne Cook, Wayne Bramble, George Thurston, Head Coach Bill Eanes, Ed Chesnutt, Sandy Vincent, Don Baugess, Assistant Coach John Needy.

## FOOTBALL 1955-'56

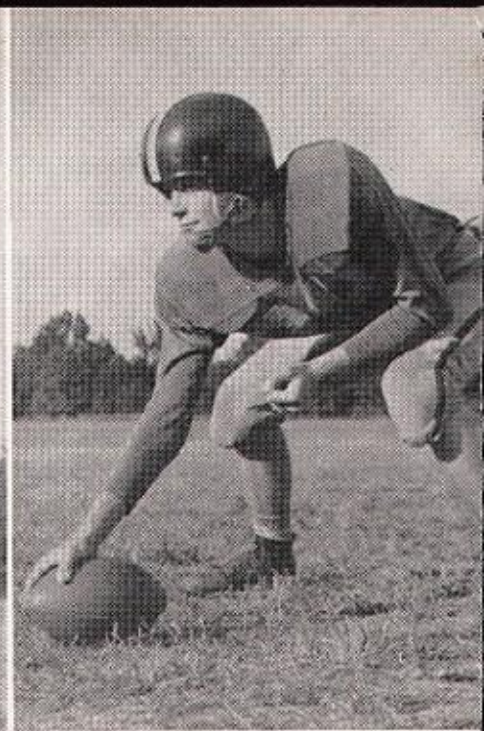

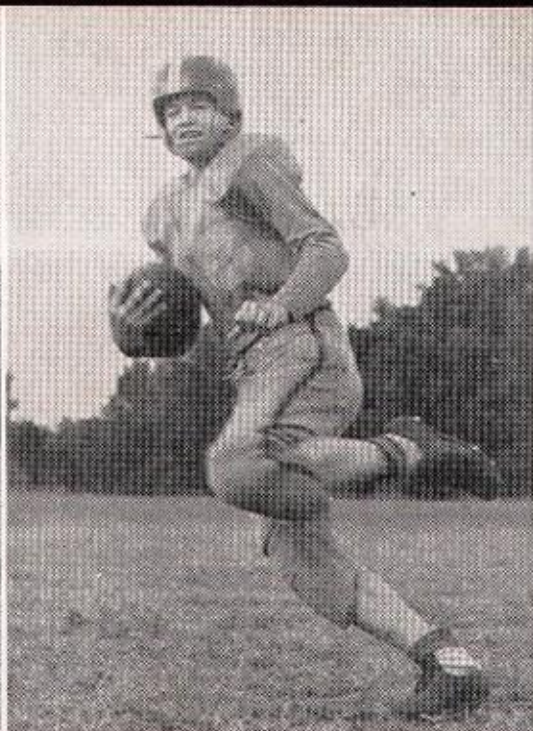

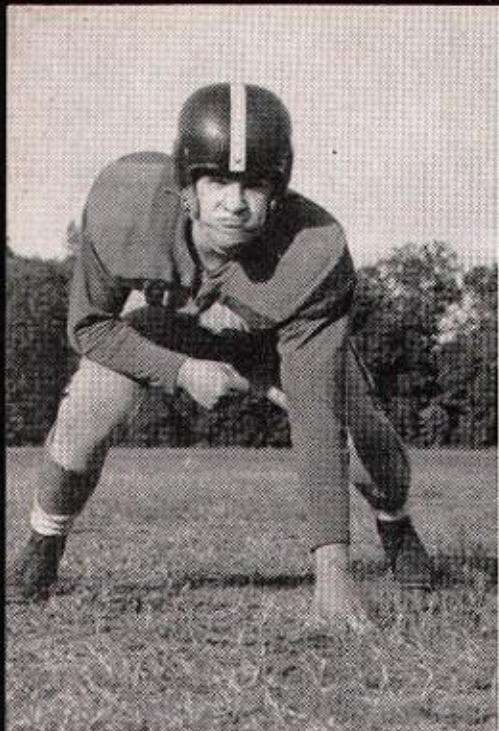

East High's new coach, Bill Eanes, whipped into shape a group of inexperienced boys that netted him "Coach of the Year" honors here this year. The team was headed by its captain, and in my opinion, the best team player that ever hit East, Harry Johnson. Joe McLaughlin and Jimmy Earnhardt, the only returning senior letterman, did a good job in the comparatively light Eagle line. Junior standouts were, hard hitting Wayne Bramble, Jim Gross, Tommy Skinner, George

Thurston, Carlisle Davenport, and Don Phillips. Ed Chesnutt was the sophomore star. The Eagles battled their way to four wins and six defeats. Most of these defeats were by one touchdown, as you all remember the thrilling game in which the Eagles almost upset Harding. This writer expects to see East High show everybody that the county schools are here to stay in the future.

Head coach Bill Eanes, just out of college, made a very fine start in the coaching field here this year. Along with his two able assistants, John Needy and Bill McGinn, he worked wonders with a small and inexperienced team. A great deal of honor should be bestowed upon these three men, who always remember that they are building men as well as football players.
